# Travel In Style

## Private Tanzania Safaris

A Olosokwan Adventures private safari offers a highly personal experience with amazing value. No matter your interests, timeline or budget, we'll help you come up with the itinerary you want.

## Group Tanzania Safaris

- Small group safari holidays are perfect for so many people, but very popular with solo travellers. Travelling with like-minded people, bonding over extraordinary wildlife experiences and sundown special moments, expert group leaders come into their own on these trips. Small group safaris are also superb for families and mixed generational groups travelling together. No organisational worries, just book and go wild.

# Family Tanzania Safaris

- Take your loved ones on the greatest adventure: a family safari in the vast and unspoiled wilderness of East Africa. With a highly-skilled guide at your side, discover that the African bush truly is the finest family playground.

## Solo Tanzania Safaris

- Tanzania is superb for a solo adventure. It is now possible to stay at many accommodation properties in Tanzania and only be asked to pay a small supplement, rather than the traditional, double price.

## Couple Tanzania Safaris

- A Tanzania Safari offers some amazing, memorable, romantic and unique experiences that one can enjoy as a couple. Whether you want to conquer mountains, appreciate wildlife and scenic landscapes, or kick back and relax on a romantic island beach, travelling as a couple on a Tanzania Safari is special because you are sharing the experiences and creating shared memories that you can reminisce about for decades to come.

# Tanzania
